

RCIY PROJECT

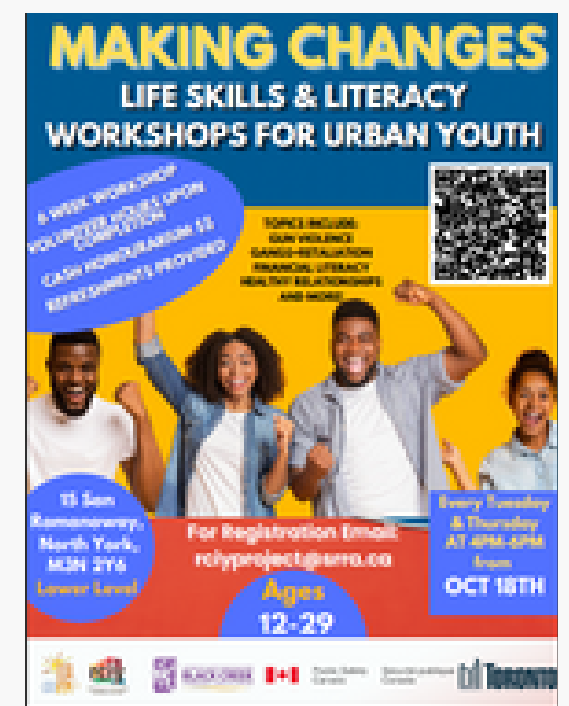

*Reclaiming our Communities,
Investing in our Youth*

Funded by Public Safety Canada, the RCIY Project - associated with San Romanoway Revitalization Association - serves Black and racialized youth, 12-29 years old, deemed "at-risk." Through direct services, the aim is to provide participants with support, tools and opportunities to foster improved lifestyles and relationships, and positive community engagement in their everyday lives.

Family Support Workers provide one-on-one, and group/family counselling to youth and their families in need of assistance during compounding challenges and circumstances.

Family Support/Youth Outreach Workers conduct intake assessments and establish personalized interventions tailored to each participant.

CAPACITY BUILDING

Family Support/Youth Outreach Workers liaise with Employment and Training Sectors to provide trainings appropriate to build and develop skills towards employment, apprenticeship and other future opportunities.

I KNOW IT HASN'T BEEN A LONG TIME YET, BUT I ALREADY SEE A GOOD CHANGE IN MY SON. ONE OF MY GIRLFRIENDS NOTICED THAT TOO, AND SAID 'WHATEVER THAT LADY [RCIY EDUCATOR] IS DOING, LET IT CONTINUE BECAUSE I SEE A GOOD CHANGE IN HIM.' - MOTHER OF PARTICIPANT
